Mrs. McCumber Avoided a Serious Operation by Taking Lydia E. Pinkham's Vegetable Compound in Time

Georgetown, Ill.—"After my first baby was born I suffered so with my left side that I could not walk across the floor unless I was all humped over, holding to my side. I doctored with several doctors but found no relief and they said I would have to have an operation. My mother insisted on my taking Lydia E. Pinkham's Vegetable Compound and I soon found relief. Now I can do all my own work and it is the Vegetable Compound that has saved me from an operation. I cannot praise my medicine too highly and I tell all of my friends and neighbors what the Compound did for me."

— Mrs. MARGARET McCUMBER, 27 S. Frazier St., Georgetown, Illinois.

Mrs. McCumber is one of the unnumbered thousands of housewives who struggle to keep about their daily tasks, while suffering from ailments peculiar to women with backache, sideaches, headaches, bearing-down pains and nervousness, and if every such woman should profit by her experience and give Lydia E. Pinkham's Vegetable Compound a trial they would get well.

ONLY COLORED SOLDIER AT ANNUAL REUNION

William Peter, of Bourbon county, was the only colored Confederate soldier present at the annual reunion of the Confederate veterans, held at Chattanooga, Tenn., last week. On account of his advanced age and by advice of his friends, he has made plans to go to the Confederate Home at Pewee Valley, to spend the remainder of his days.

During the Civil War Peter was cook and bodyguard for General Joe Wheeler, the intrepid Confederate cavalry leader, who afterward gave valiant service in the Spanish-American war, and followed his varying fortunes throughout the entire four years of the war. His record shows that he accompanied Wheeler's cavalry from Alabama to Vicksburg, Miss., then to Corinth, Miss., Nashville, Tenn., and then into the Cumberland mountains to Chattanooga. He was born a slave in Tusculum, Ala., and lived for forty-six years in Chattanooga, where for twenty-six years he was a guide on Lookout Mountain, which appointment he received through General Beuman. He is an object of interest at all Confederate gatherings, where he is a welcome guest. His reminiscences are eagerly listened to by the veterans, who never tire hearing of his experiences while serving with Wheeler. Peter has been a resident of Bourbon county for several years, coming here from Chattanooga.

MOTHER! MOVE CHILD'S BOWELS WITH CALIFORNIA FIG SYRUP

Hurry mother! Even a sick child loves the "fruity" taste of "California Fig Syrup" and it never fails to open the bowels. A teaspoonful today may prevent a sick child tomorrow. If constipated, bilious, feverish, fretful, has cold, colic, or if stomach is sour, tongue coated, breath bad, remember a good cleansing of the little bowels is often all that is necessary.

Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup. (F-1f)

SWIFT & CO.'S WEEKLY PRODUCE MARKET REVIEW

Receipts of cream during the week have been on a liberal scale. Consumption of butter is reported large and prices have shown a slight advance during the week.

Fresh eggs are in light supply, with prices ruling higher.

There has been a liberal movement of live poultry, and it has been necessary to transfer part of the surplus to storage. Prices generally are unchanged.

INGROWN NAIL

Toe Nail Turns Out Itself If You Toughen Skin

A noted authority says that a few drops of "Outgrow" upon the skin surrounding the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night.

"Outgrow" is a harmless, antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions. (F-1f)

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel.

The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." They "clear" clouded brain and "perk up" the spirits. 15c and 30c.
